RAILROADS ATTACK
COAST RATE ORDERS

Commerce Court Asked to Re-
strain Commission From
Enforcing Ruling.

WASHINGTON, Oct. 4.—The transcontinental railroads today asked the interstate commerce commission to suspend its orders in what are known as the "Pacific coast cases," involving the heaviest railroad traffic in the United States, until the commerce court has had time to pass upon their merits. The roads also asked the commerce court to enjoin the commission from putting into effect its orders reducing the transcontinental freight rates.

It was indicated to the commission by Attorney Norton, of the Atchison, Topeka & Santa Fe, and Dillard, of the Union Pacific, representing all the carriers interested in the cases, that the railroads purpose to institute proceedings in injunction before the commerce court to restrain the interstate commerce commission from putting into effect its orders reducing the transcontinental freight rates.

The orders of the commission will not become effective until November 15, and it was considered by the commission that the commerce court would have ample time, meanwhile, to pass upon the questions involved. Until the commerce court has taken up the matter the commission will not grant the application of the carriers for a suspension of its orders. Late this afternoon the railroads, through Attorney Norton and Dillard, filed with the commerce court bills asking for the temporary injunction in all the Pacific coast cases. These include the Spokane rate cases, the Reno case, the Portland case, the Commercial club case and others. In every instance the railroads complain that the rates fixed by the commission are unreasonable, low, and that they will, if enforced, not enable the carriers to make a fair return upon their investments and will amount to a confiscation of property. Existing rates were defended and denial made of the commission's right under the constitution to prescribe the rates, which are fixed in its orders of last June.

It is likely the commerce court will take up the case in a few days with a view of determining whether the temporary injunction shall be granted. In any event, the probability is that the questions involved will reach the supreme court.

PLAN ELECTRIC LINE
FROM BOISE TO OGDEN

BOISE, Ida., Oct. 4.—The Kuhn interests of Pittsburgh have purchased the Swan Falls power plant on Snake river not far from Boise and the Boise & Interurban railroad operating between this city and Caldwell. The purchase price is \$2,000,000. The deal, it is said, gives the Kuhn the key to the situation in the power fight with Nunn in this territory. Trolleys line stations planned are said to include an electric line from Boise to Ogdan, Utah, through the heart of the irrigated tract of Idaho. The Kuhn already own a road which will be electrified and made a part of the Ogden line.

WEBSTER ARRAIGNED;
PLEADS NOT GUILTY

OREGON, Ill., Oct. 4.—Evidence against Harry F. Webster, charged with having murdered his third wife, was presented to the grand jury today. Both State Attorney Emerson and Sheriff Delaney denied published reports that Webster had confessed his crime. Dr. Webster was indicted for murder late today. He was arraigned before Judge O. E. Heard and pleaded not guilty.

grand jury in connection with the State Bank of Commerce case was for W. O. Pierce, assistant state bank examiner, who was named first root of the institution by order of the district court a few days after the bank closed its doors on May 12 last. The specific charge against Pierce is embezzlement of funds of the bank.

TRUE BILLS FOUND IN
BANK CASE IN IDAHO

WALLACE, Ida., Oct. 4.—District Attorney Wayne of Shoshone county telegraphed tonight to the chief of police of Calgary, B. C., asking him to arrest B. F. O'Neill, former president of the State Bank of Commerce of this city, who was indicted yesterday for alleged fraudulent reports on the condition of that institution and the acceptance of deposits after he knew it to be insolvent. Word was received today that O'Neill was in Calgary.

Four directors of the bank against whom indictments were served, Harry L. Day, Eugene R. Day, August Paulsen and G. Scott Person, filed bonds today for their appearance in court Monday next. Bonds in each case were fixed at \$5000.

Late today information was given out by the district attorney that one of the indictments returned by the
